

Prophetess Ceola J. Griffin, AKA Ceola J.

Ceola J. is passionate about encouraging and inspiring women to seek and reach their God-given purpose and live their best lives now! Having seen the struggle firsthand of her young mother and the devastation of her mother's death at the age of 33, Ceola knew what she wanted to do when she was a child. Ceola found her purpose in helping, encouraging, and motivating women, utilizing the victory she saw in overcoming her painful life experiences.
