

Dr. Theresa Dixon

Dr. Theresa accepted the Lord as her Savior at the early age of seven. The Lord has been (and is) the center of my life and in all that I accomplish, I can't do anything if God isn't on my side, and I can do all things because He strengthens me (paraphrase Philippians 4:13).

I'm passionate and devoted individual with a heart for God's work. I have spent years serving in various capacities within the church and have developed a profound understanding and love for Community and Ministry needs.

In 2007, I received my Doctorate degree in Divinity from the World Harvest Evangelistic Ministry hence known in the Community as Dr. Theresa. Then in 2019, I was installed as an ordained Chaplain.

Over the last twenty years or so, I have been under the tutelage of Apostle Christine Liddell of Power For Living Ministries in Brentwood CA, until her retirement in early 2020. I served her and the Ministry as a devout Leader, Church Administrator and Minister in the church in various capacities.

In 2020, I married Pastor Babatunde Onadele who is the Sr. Pastor of Ebenezer Community Church in Oakley CA. We both serve as active Pastors and Shepherds to the saved and unsaved doing the work of the Lord bringing Glory and Honor to Him with the help of the Holy Spirit.

We believe: Luke 1:37 "For with God nothing shall be impossible."

My desire is to see lives transformed through the power of the Holy Spirit and to bring hope, deliverance, and healing to a lost and spiritually dying world. I am steadfast to lead by example and strive to live a life of integrity and authenticity by the Word of God.

I have a heart for the marginalized, the vulnerable, the lost, forsaken, the underserved and seek to bring the undying love of Christ to those who are forgotten and hurting. I am constantly seeking to grow Spiritually and develop what the Lord has called me to do, and I am always open to new opportunities to serve and make a difference.

I am excited about the Lord's plan for my future as His thoughts will give me an expected end (Jeremiah 29:11) and the potential for impact that ministry holds, continuing to pursue my calling eagerly with passion and dedication as unto the Lord!
